Internship

Summer Training/Internship

July - August, 2023

Techvanto Academy

- Gained hands-on experience in Java Swing for GUI-based application development.
- Developed interactive desktop applications using Swing components (JFrame, JPanel, JButton, JTextField, JTable, etc).
- Worked on event-driven programming and implemented ActionListener, KeyListener, and MouseListener.
- Applied core Java principles to create functional and efficient solutions, demonstrating hands-on expertise in software development.

Projects

Calculatools / HTML, CSS, JavaScript, Responsive Web Design

January, 2025

- Developed a web-based platform featuring multiple real-world online calculators.
- Implemented an intuitive and responsive UI using HTML, CSS, and JavaScript, ensuring accessibility across all devices.
- Integrated client-side logic to handle user inputs efficiently, providing instant and accurate calculation results.
- Optimized website performance and usability, ensuring a seamless experience for users across different browsers.
- Hosted the project on vercel. Check out here: [<https://calculatools.vercel.app/>].

Bank Management System / Java Swing

August, 2024

- Developed a console-based ATM simulator using Java, implementing essential functionalities such as authentication, balance inquiry, cash withdrawal, deposit, and transaction history.
- Enhanced functionality by incorporating Java Swing's capabilities to design an intuitive desktop application.
- Implemented key user-interaction components to improve accessibility and usability for daily banking needs.
- Hosted the project on GitHub for version control and collaboration. Check out the repository here: [<https://github.com/Shrawan3067/Bank-Management-System.git>].

Certificates

Google Cloud Computing

October, 2024

Coursera

DSA with Java

September, 2024

Apna College

Full Stack Web Development

February, 2023

LinkedIn

Technical Skills

Languages C++, Java, JavaScript

Technologies/Frameworks: Angular, React JS, Node JS, Git, GitHub, Ubuntu

Skills: Data Structures and Algorithms, Problem-Solving, Responsive Web Design, Scripting in JavaScript

Education

Lovely Professional University Punjab

Since 2022

Computer Science and Engineering — CGPA: 7.0

Phagwara, Punjab

Mithila Institute of Technology

2018 – 2021

12th with Science — Percentage: 77%

Janakpurdham, Nepal

Shree Janata Ekai Higher Secondary School

2017 – 2018

10th with Science — Percentage: 66.25%

Dhanusha, Nepal
